

Request for a Lightstudy

What do you need to deliver for a light study?

<ol style="list-style-type: none"> 1. Drawings with dimensions l x w x h. (Preferably a dwg.autocad file) 2. PDF with the dimensions of the room and the position of the fixtures. (If the position is optional, please mention) 	<p>Enter your Wetransfer link here with the 2 files:</p>
<ol style="list-style-type: none"> 3. What is the ceiling height? 	
<ol style="list-style-type: none"> 4. Which fixtures are desired? (including article numbers if known) 	
<ol style="list-style-type: none"> 5. Is the hole size and position of the fixtures determined? 	

What will you receive in return?

- Light calculation in PDF including:
 - Calculations
 - Lux values
 - Numbers and fixtures
 - Images with visualization
- Fitting list in Excel with our fixtures and numbers, in which the type of dimming and color fixture can still be added.
- .DWG (autocad file) with positioning of the luminaires
